Jay M. Kulkin, M.D.
975 Johnson Ferry Road, Suite 460
Atlanta, GA 30342

Dear Dr. Kulkin:

I am pleased to inform you that you have completed the requirements to become a Fellow in the American Society for Laser Medicine and Surgery, Inc.

Congratulations on this accomplishment, which recognizes your active participation in the Society and contributions to the broad fields of laser medicine and surgery. Members qualify for this prestigious status by attending Annual Meetings, participating on committees or as faculty members for Society courses, serving as a reviewer for Lasers in Surgery and Medicine, and sharing their wisdom and research findings through papers published in our Journal or presented at the Annual Meeting. Fellow status is the highest level to which a member can aspire, and makes you eligible to assume a leadership role in your Society through elective office.

As a Fellow in ASLMS, you are an important part of the world's preeminent resource for laser research, education, technology and clinical knowledge. I'm sure you'll want to remain active in this organization as we pursue our mission to promote excellence in patient care by advancing applications of lasers and related technologies worldwide. Again, I offer my sincere congratulations on your ascension to Fellow status in ASLMS.

Sincerely,

J. Stuart Nelson, M.D. Ph.D
Secretary
